Medical Examination in Korea

Within your first week in Korea the school will organize for you to visit a designated state hospital for your medical exam. You will have to take the following tests, checks and give the relevant samples:

- Dental Check
- Eyesight and Colour blindness test.
- Urine sample
- Blood test
- Chest x-ray
- Interview with Doctor

The examination is nothing to worry about. Korean society is completely intolerant of drugs (although alcoholism is rife) therefore they are mainly testing for drugs and HIV. You will need to pass the examination to receive your Alien Card. If you fail the test due to testing positive for drugs or HIV you will be deported.
